

IAIFI Schedule for MIT Physics Open House 2025

Wednesday, April 2, 2025 at 3:15pm

Session Title: Interdisciplinary Studies: Institute for Artificial Intelligence and Fundamental Interactions (IAIFI) and Physics, Statistics, and Data Science PhD (PhysSDS)

Speaker: Mike Williams (IAIFI Deputy Director and MIT Professor of Physics)

Event Description: During this session, IAIFI Deputy Director Mike Williams will give an introduction to IAIFI and to the Physics, Statistics, and Data Science PhD (PhysSDS).

Location: Kolker Room (MIT 26-414)

Time: 3:15pm – 4:00pm ET

Thursday, April 3, 2025 at 3:00pm

Session Title: Coffee Hour with the NSF AI Institute for Artificial Intelligence and Fundamental Interactions

Event Description: Come to this informal coffee hour at the IAIFI penthouse to meet with current IAIFI members! Coffee and refreshments will be provided.

Location: IAIFI Penthouse (MIT 26-648)

Time: 3:00pm – 4:00pm ET

Directions to access the IAIFI Penthouse:

1. In MIT Building 26, take the elevator (or stairs) up to the 6th floor (labeled “PH” on the elevator buttons).
2. Upon exiting the stairwell/elevator, turn left and the IAIFI Penthouse will be straight ahead.
