

FCC-ee mini-workshop

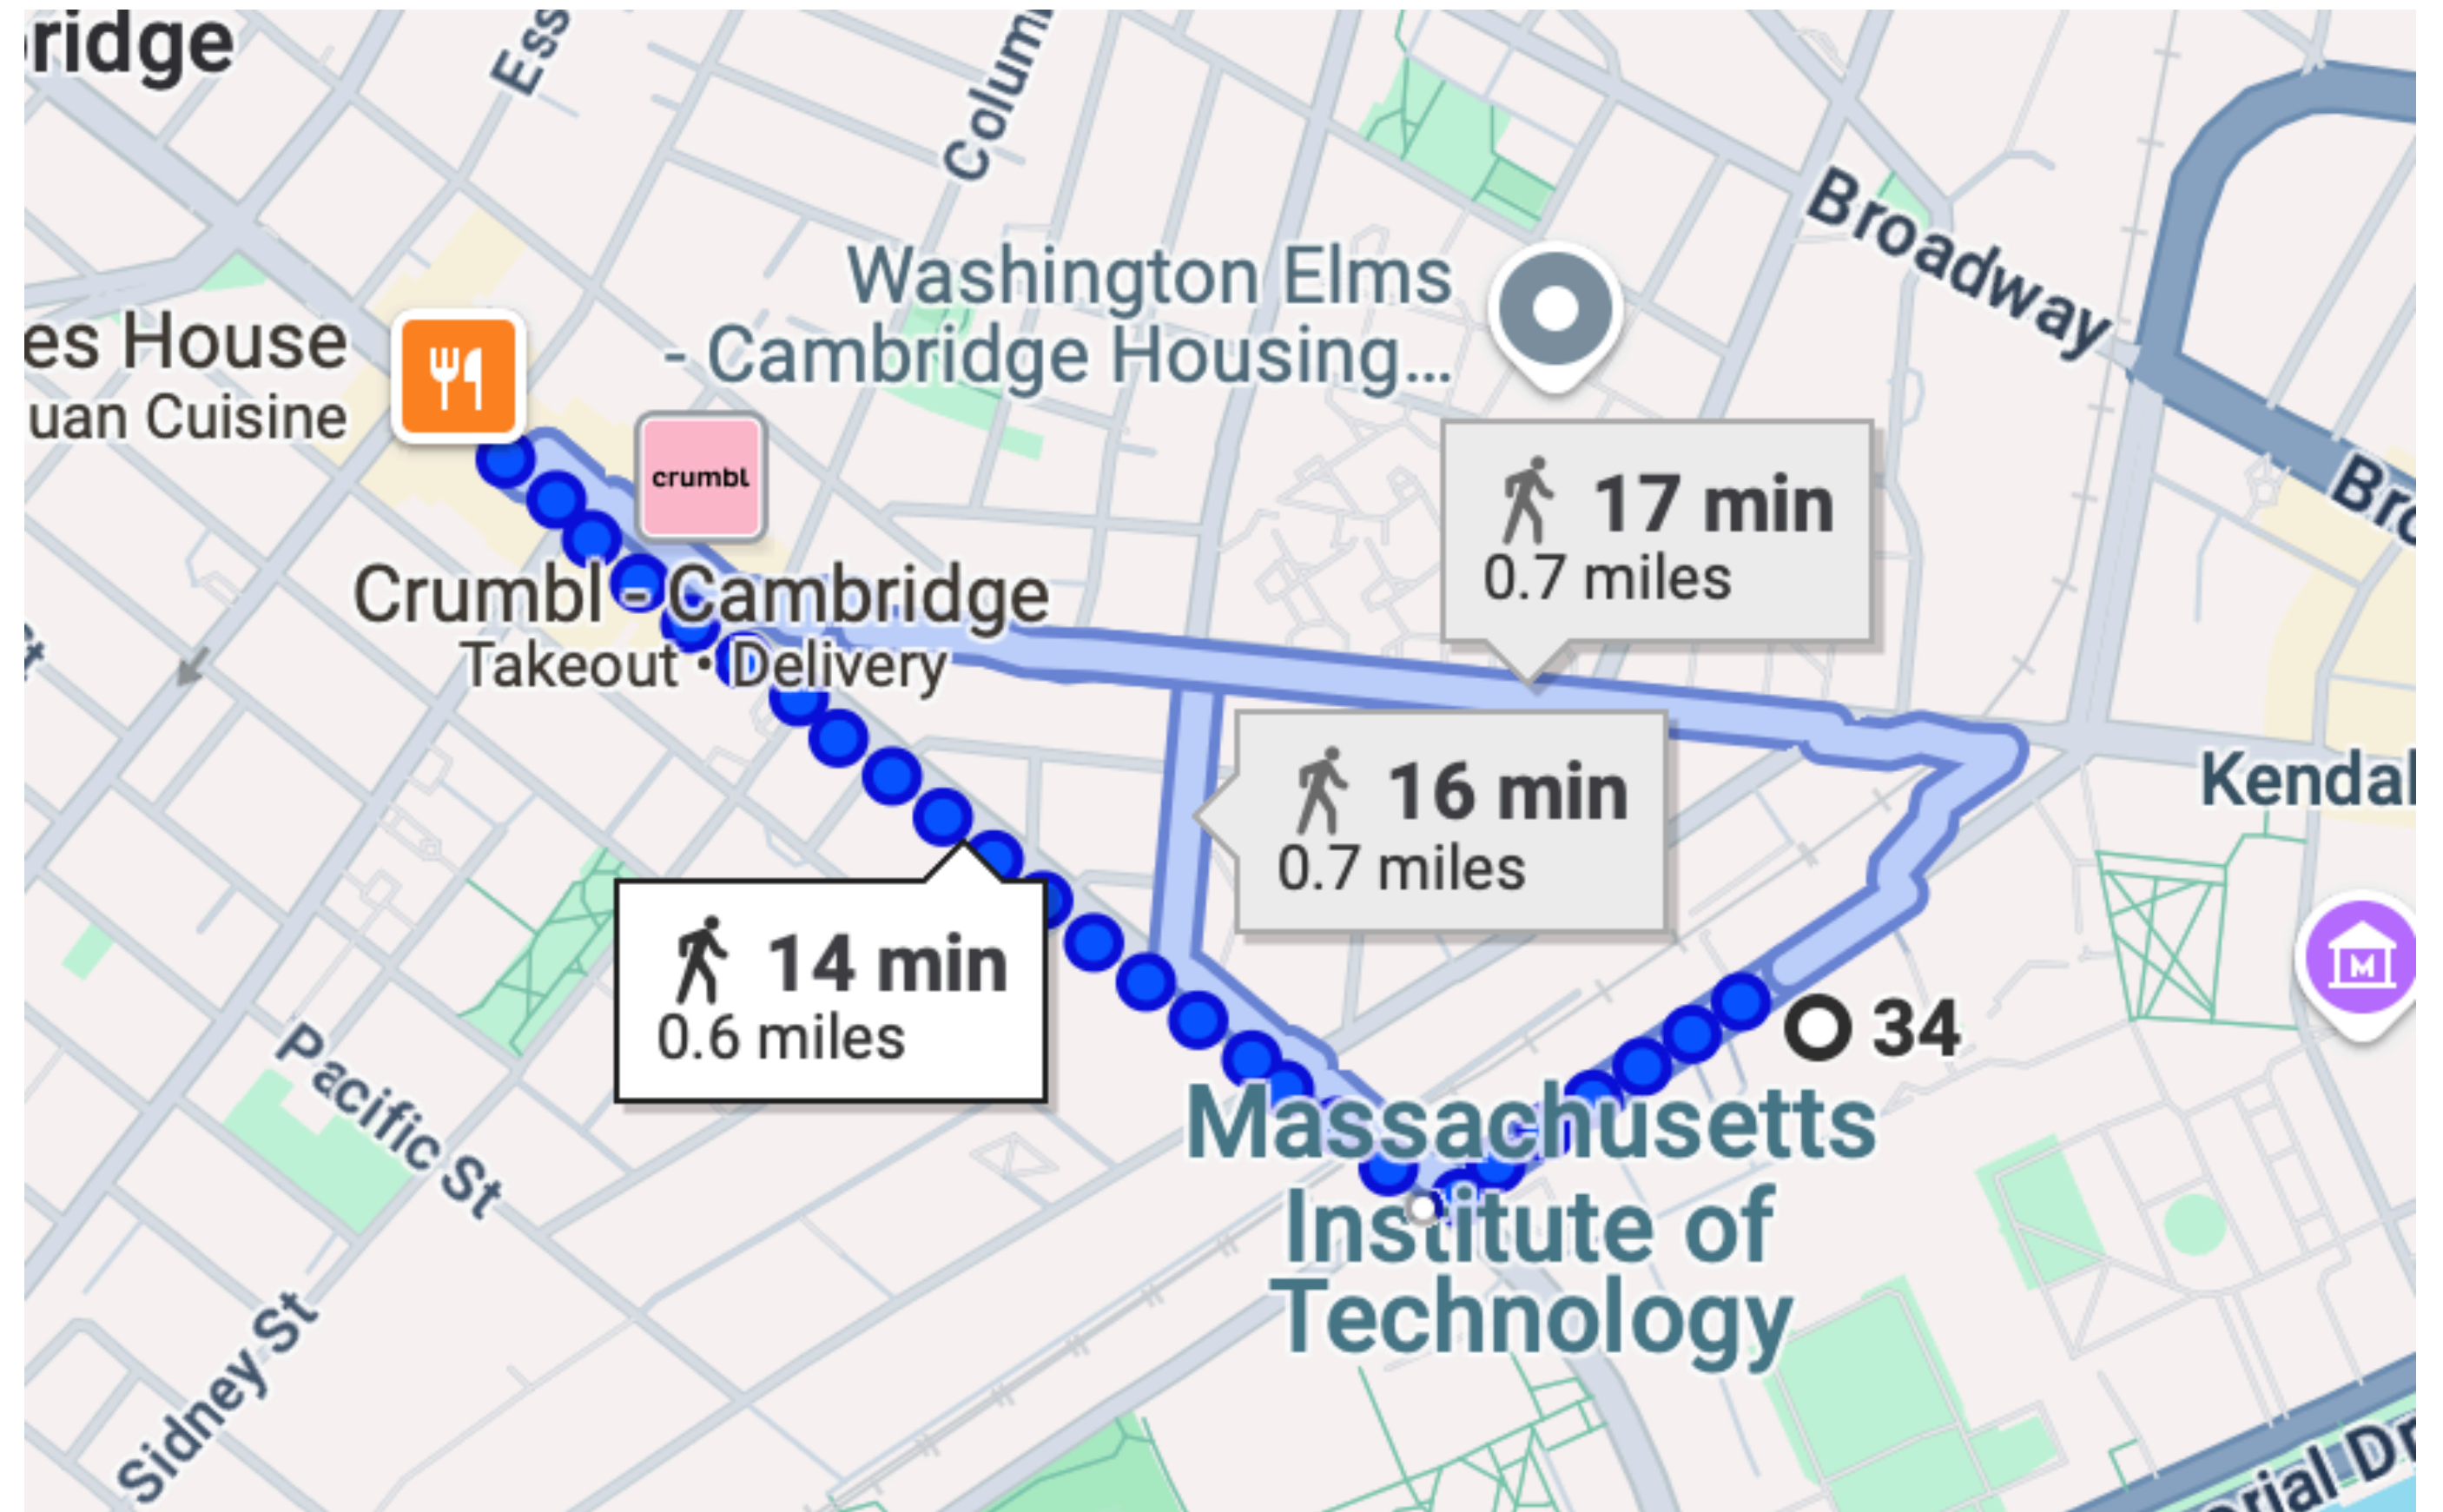

Session today

- 12 min talk + 3 min questions
- **Everyone can ask questions** and we encourage you too!!
- **Try to stick to time (!!)** - in conferences this is very important - however we also understand many of you are new to presenting, so don't worry too much if your timing isn't perfect

Dinner this evening

- Dinner is at 6 pm is at The Mad Monkfish
- We will meet in **building 24 by 24-417** at 5 30 sharp to walk across
- You can also meet us there

Physics after this project

- We hope you all had fun during this IAP session - thank you for making it a success!!!
- We certainly had a fun time supervising you all and are very excited to see all your presentations
- If you are interested in future projects in the FCC, please get in touch with myself or Christoph !!
