# *SubMIT Workshop*

# *Introduction*

Christoph Paus
MIT, January 23, 2026

# *Welcome*

*to the yearly*

*SubMIT workshop!*

# *Basic Computing Service*

## Steering committee

- Oversight of the SubMIT project
- Faculty run: C.Paus (chair), R.Simcoe, M.Ivanov, M.Vogelsberger, B.Wyslouch

## Project team

- Technical implementation
- Postdoc/Researcher in charge: D.Walter et al.

## Users Group

- Communicate needs of users and new updates from the project
- Run by project team leaders

# *The SubMIT team*

By design a constantly changing team

- Young"ish" people come in for a limited amount of time

- Learn the business, support users and hand over

- This year was a lot about running a stable system and how to make it even more stable

- Smooth turnover with personnel
  - Leadership: David (lead), Matt (co-deputy), Mariarosaria (co-deputy)
  - Members: Marianne, Jacob, Luca, Alex, Jan, Max

# *The SubMIT team*

**Project Team**

Matthew Heine (deputy)
David Walter (project leader)
Mariarosaria D'Alfonso (deputy)
Maxim Goncharov
Alexander (Alex) Avdoshkin
Jan Eysermans
Luca Lavezzo
Marianne Moore
Xuejian (Jacob) Shen
A2rchi

# Want to learn hands on computing?

- The team changes constantly…

- Talk with your advisor if you would like to join

# *Our user group*

## Interested?

- User group turns over quickly
- Represent your community and learn about computing at larger scale

**Users Group**

Amer Ahmad Al-Hiyasat

Jordan Lang

Hans Moritz Günther

Jose Miguel Munoz Arias

Josu Aurrekoetxea

Luke Kim

# *Enjoy*
## *the SubMIT workshop!*
