

ASTRO PHYSICS

OPEN HOUSE SCHEDULE

APRIL 01- APRIL 02, 2026

During your downtime, unwind at the Coffee Nook located on the 6th floor of the McNair Building 37.

APRIL 1

Breakfast with Faculty and Students

Join us for a casual breakfast with faculty and students to start the day!

Time: 9:30 – 11:00 AM

Location: "Solarium," Bld 37, 6th floor

Astrophysics Research Talks

Engage with leading astrophysics researchers as they share insights on their latest work.

Time: 1:30 – 4:00 PM

Location: Marlar Lounge, Bld 37-252, 2nd floor

Astrophysics Research Area Dinner

Join us for an evening of dining with current and prospective students, faculty members, and research scientists, where we will engage in conversation while enjoying a delightful array of dishes.

Time: 5:30 PM

Location: Marlar Lounge, Bld 37-252, 2nd floor

APRIL 2

ASTRO Student Discussion

An informal, students-only discussion about the program and life in the ASTRO Division

Time: 10:00 – 11:15 AM

Location: Marlar Lounge, Bld. 37-252

ASTRO Meet 'n' Greet

Connect with Astro students, researchers, and faculty members who welcome you with open office doors (look for our inviting door signs), or unwind at the Coffee Nook

Time: 11:15 AM - 12:00 PM

Location: McNair Building, 6th Floor

see McNair Map

Astrophysics Lab Tours & Office Hours

Join a tour or meet with researchers for discussions.

Time: 2:00 PM - 4:00 PM

Tours include:

MIT Kavli Institute (MKI) and TESS (leaving from Marlar Lounge, 37-252)

LIGO Lab (across campus)
