

PHYSICS OPEN HOUSE
APRIL 1-3, 2026
CONDENSED MATTER EXPERIMENT

FAQs

I have some free time, where can I go?

- The Banana Lounge (26-110). It is a cozy room where you can enjoy complimentary bananas, coffee, tea, and hot chocolate. Additionally, there is a piano in the hallway, waiting for someone to play a tune. [Campus map with Banana Lounge linked](#)
- Physics Graduate Lounge (8-314)
- CMX Student Lounge (13-2018)
- Tanaka Room (13-2062). The Tanaka room is a conference room with boardroom-style seating and a whiteboard and chalkboard. If the Tanaka room is locked, please contact Katie Torrence (ktorrenc@mit.edu). She is located in office 13-2084.

I am not sure what is next?

- Please check the [Indico Schedule](#)

Where is the Duboc Room (4-331)?

- [Campus map with Duboc room linked](#)

Where is building 13?

- [Campus map with Bldg. 13 linked](#)

Who should I contact with questions or concerns?

- Email Jenni Roesch (jroesch@mit.edu). Gerry Miller is out of the office during open house.
