

DarkLight @ ARIEL Collaboration Meeting

D.K. Hasell

DarkLight @ TRIUMF ARIEL Collaboration Meeting

November 15–17, 2023

Welcome

Welcome

Internet

- select wireless network “eduroam”
- login using your E-mail address and password at your home institute

Washrooms

- down the hall on the left, either side of the freight elevator
- opposite Ethan’s office 26-431

Agenda

Slight changes to the agenda

- pushed Cameron's talk on the Monte Carlo simulation studies to 16:00 this afternoon
- inserted the MIT LNS State of the Lab by LNS director Bolek Wyslouch 15:00–16:00
 - hopefully this will tell you a little about the larger workings of MIT LNS
 - coffee and cookies available during presentation, microphones in this room will be muted
- moved Jan's talk to Thursday afternoon to accommodate a special lunch time meeting

Any other requests for changes to the agenda ?

- Indico site: <https://indico.mit.edu/event/875>
 - check-out the options for lunch on the Indico site
- Zoom link: <https://mit.zoom.us/j/92875793695>
- the meeting is being recorded
